Dr Christopher O'Mahony is serving his first term on Goulburn Mulwaree Council.

Actively involved in the community, he is a member of two local tennis clubs, the Goulburn Club, the Goulburn Workers Club and GPAC. Christopher is a member of the parish community at Sts Peter & Paul's, but can also be found at St Saviour's, as part of their bell ringing team.

Throughout his term, Christopher is committed to engaging with the community and encouraging meaningful consultation. He seeks to establish sustainable Council finances while maintaining service quality, avoiding Special Rate Variations, and at the same time enhancing the efficiency and effectiveness of Council operations.

Christopher regularly utilises the Goulburn Aquatic and Leisure Centre, Goulburn Mulwaree Library, off-leash dog parks, and enjoys visiting the Goulburn Regional Art Gallery for its exhibitions. His interests include tennis, church bell ringing, reading, cycling, dog walking, travel, music and the arts.

A resident of Goulburn for five years, Christopher envisions a vibrant and successful Goulburn Mulwaree, focused on leveraging hard work and social capital to drive growth and prosperity, while nurturing a caring, compassionate, and confident community.
