

Cr Jason Shepherd

A Labor Councillor, Jason Shepherd was first elected to Goulburn Mulwaree Council in 2021 and was re-elected for a second term in 2024.

Jason brings over thirty years of international experience as a construction engineer, with expertise in designing and managing projects across Ireland, Asia, Africa, and the Middle East. His work spans several engineering disciplines, including sustainability and security, and he has been involved in urban renewal projects, redeveloping old buildings and heritage areas.

During his term, Jason is committed on bringing respect and community consultation back to Council, balancing the books, maintaining services, and advocating for sustainable development at local, state, and federal levels.

Jason is an active member of his community, contributing to Goulburn SES, Meals on Wheels, the Blood Donor service, Goulburn SSAA, and St Peter and Paul's Cathedral Men's Choir.

Jason is also a director of Goulburn Family Support Services. Previously, he chaired the NSW Health Goulburn Community Consultation Committee and served on the Community Services and Floodplain Risk Management Working Parties.

Outside of Council, Jason enjoys volunteering, languages, history, gaming, and coffee.
