

Cr Liz McKeon

Liz McKeon was elected to Goulburn Mulwaree Council for the first time in 2024 and is dedicated to making a positive impact in her community.

With a background of over thirty- years in the Disability sector and volunteer work, Liz served on the Access Committee for Georges River Council, where she focused on enhancing accessibility for all residents. For the past 18 months, Liz has been actively involved with the STFA, volunteering in both summer and winter soccer programs, and helping to restock the canteen each Friday.

Although Liz is just beginning her journey as a councillor, she is eager to establish an Access Committee to further support residents' needs. Liz believes in fostering greater connection and cohesion between the community, council, and fellow councillors.

A committed blood donor, Liz contributes to the Goulburn community by donating every three months.

Liz balances her responsibilities with her passion for swimming, walking, and relaxing. She also enjoys farming and sustainability, as well as embracing the rich local culture.
